Refine your Leadership skills to Empower your Team

Registered Dietitian Nutritionists (RDN's) have the skills to be exceptional leaders-inspiring, authentic, financially aware and master communicators who positively influence and empower their team. This presentation will discuss the five core pillars of leadership, including how to manage your mindset and behavior to be a leader your team will want to follow, and how to engage your most powerful competitive advantage—your people.

_____ 1.0 CEU

1pm-1:45 pm: Pre-recorded Poster Session

Participants may attend a pre-recorded poster session in which presenters will offer a 3 minute talk about their research and poster. It will be followed by a 15 minute live Q & A session with the presenters.

_____ 1.0 CEU

Following our Kick-off date, we will be offering weekly webinars on Fridays from April 30th- June 25th (these CEU's will be filed for separately)
